

5 Structure of our CLASSES

1

- Introduction to Erasmus+ Program:
 - Understanding the goals, objectives, and scope of the Erasmus+ program.
 - Familiarizing yourself with the different types of projects funded under Erasmus+.
- Project Design Principles:
 - Identifying the needs and challenges that your project aims to address.
 - Defining clear and measurable project objectives.
 - Developing a project that aligns with the Erasmus+ priorities and values.

2

- Partnership Building:
 - Identifying and selecting suitable project partners (schools, universities, organizations, etc.).
 - Establishing effective collaboration and communication channels.
 - Ensuring partners' roles and responsibilities are well-defined.
- Needs Analysis:
 - Conducting thorough research to understand the target audience and their needs.
 - Gathering data and evidence to support the project's relevance and impact.

3

- Project Activities and Methodology:
 - Designing a coherent and innovative set of activities to achieve project objectives.
 - Applying relevant pedagogical approaches, methods, and tools.
 - Explaining how the proposed activities contribute to addressing the identified needs.
- Budget Planning:
 - Creating a comprehensive and realistic budget for the entire project duration.
 - Allocating funds appropriately to various project components (travel, training, materials, etc.).

4

- Work Plan:
 - Developing a detailed timeline of project activities, milestones, and deadlines.
- Expected Impact and Dissemination:
 - Outlining the expected short-term and long-term impact of the project.
 - Describing how project results will be disseminated to relevant stakeholders.
 - Identifying potential sustainability strategies to ensure the project's lasting effects.

5

- Review course material
- Co-design of a project proposal in class
- Final Q&A

The next course starts on September 14, and classes will be on September 14/15/18/19/20 from 17 to 19.30. 1-on_1 meetings beginning from September 21

OUR TRAINERS

Erasmus+ Project Trainers courses on KA1/KA210/KA220

Patrizio Ricci

Mr Ricci is an experienced EU Project Manager, designer, co-founder, and president of Uno. He has a track record of more than 50 approved Project Proposals.

He has worked on almost a hundred Erasmus+ projects since 2018, focusing on Social-Emotional Intelligence, Social Inclusion, Education through sports, Gender Equality in sports and fostering digital skills for disadvantaged people. He worked in countries such as Italy, China, the UK, Spain, and Lithuania and had a year-long experience as a Project Consultant for the EIC Accelerator of H2020.

He graduated in Contemporary History at the University of Roma Tre and holds a Master of Social Sciences in Chinese Studies at the University of Glasgow and a Professional Master in European Project Planning and Project Management at Pixel in Florence. He's Italian, fluent in Spanish and English and with limited knowledge of Mandarin Chinese and French.

Giovanni Gonella

Co-founder and treasurer of Uno, Mr Gonella, is an experienced Project Designer specialising in EU Funds such as Erasmus+, where he has submitted over 100 project proposals since 2018, of which more than 50 have been funded.

He graduated in Business Development and International Cooperation at the University of Parma and a Master's in International Relations, Economy and Politics at the University of Sacro Cuore in Milan, plus a Professional Master's in European Project Planning and Project Management at Pixel in Florence.

He is Italian, fluent in English, French and German and has a working knowledge of Spanish. He also has a long experience as a volunteer using NFE methodologies as a teacher and trainer in Nepal.

Are you ready to take your project designing skills to the next level?
